

### Premium Chevron AB

Discover the elegance of our premium AB Grade Chevron Flooring 15mm engineered oak timber parquetry at Imperial Flooring Australia. Designed for both residential and commercial spaces, each panel boasts a real timber top layer with a multi-layer plywood core adding a touch of luxury to any interior. With no repetitive patterns, our flooring ensures a distinctive look throughout your space.

#### AB GRADE:

This is the highest grade available in engineered timber flooring. This wood is cut from the centre of the tree, and the wood from the centre is much more uniform and has far less knots & imperfections. AB grade flooring is hand selected, offering a premium grade of engineered timber flooring.
